

WIRELESS FIRE ALARM

WIRELESS FIRE ALARM

Helping you protect your construction workforce and visitors on site whilst ensuring full compliance with Health & Safety regulations.

Why use Secure Site UK?

- HSE-compliant
- 3-year battery-life and 100% wireless meaning no trip hazards
- IP65 waterproof rated components for prolonged external use
- 'Mesh' technology triggers all sounders and strobes simultaneously
- Integration with access control turnstiles aids unhindered evacuation
- Weekly hire or outright purchase flexibility
